

Drivers Busy Getting Horses Ready For Races Which Start Here Tomorrow

HORSEMEN GIVE THEIR TROTTERS FIRST WORKOUT

More Arrive to Participate in Fair Races — Work men Spend Sunday Clearing Track of Stones.

Horsemen at Springbrook park put in a big day Sunday giving their animals a good workout in preparation for the interstate fair race meet which opens Tuesday afternoon. The 76 trotters and pacers that are slated at Springbrook divided the track Sunday with an army of workmen that is engaged in putting the finishing touches on the brand new \$100,000 plant.

It is the consensus of opinion of the horsemen that have given the new track a tryout, that the course will be in good shape for the fair speed events considering the short space of time that has been available for the construction of the track. It is expected that the time in all of the races will be slow due to the heaviness of the track.

A rooster and steam roller worked on the course all day. The greater part of the stones that threatened to make dangerous going for the racers were removed Sunday, and another day's work will see nearly every stone removed from the entire course.

A disappointment to the hopes of local race fans came Sunday with the announcement by Alex. Wright that his star trotter Cricket, who was to represent this city in the News-Times stake for 2:17 trotters on Wednesday would not be able to race here. A telegram received by Mr. Wright carried the news that Cricket had been hurt at Detroit, and her condition would not permit her to be shipped to South Bend for some time.

Fans who are anxious to see some of the race money go to local horses are now pinning their hopes on South Bend girl, the great filly owned by S. A. Russ. South Bend girl, named in honor of the St. Joseph County Fair and Amusement association, which is putting on the Springbrook races, is as yet unbeaten in a race.

The filly has been racing but a year, but in this time she has hung up a perfect record. She has won her four races in straight heats, never having been defeated in a heat or race. At Montpelier, O., where she has been racing during the past week she won two races. In a trotting event on Friday she was marked at 2:14 1-2, lowering her mark a full second.

Mr. Wright will contend for some of the money with Alto Girl, a sorrel owned by Music Master and Gay Baron, a big black stallion sired by Baronage. Both of these trotters are entered in the county event and in the Oliver Hotel Stake for 2:24 trotters.

More Horses Arrive.
Among the new arrivals at Sunday were L. H. Fuller, the nomination of Henry Hawkins of Springfield, Ill., in the News-Times stake; Halbra and May Bellow, two pacers of the stable of C. W. Shaker, Bourbon, Ind.; L. Belle Online, by Potomac, owned by L. C. Studman of Nappanee; and Jennie Hailie, owned by R. H. Somers, thrust of Warren, Ind., and entered in the News-Times stake.

By tonight nearly every horse entered in any of the harness events will be stabled at Springbrook. Several of the horsemen from Indianapolis and Detroit who were holding off their entries in order to find out the condition of the track, are expected to bring their stables here today, as they have been notified that with favorable weather, the track will be perfectly safe to race on, even if it is rather slow.

SILVER EDGES WIN.
The Silver Edge team defeated the Gergack Sunday afternoon at the Portage Crossing diamond by a score of 11 to 1. Sparr hurled good game for the winners, striking out 11 men and holding his opponents to five hits. Joseph, the Gergack pitcher, was touched for 18 bingles. The feature of the game was the hitting of Green with two slashing two baggers.

The Miami Magnums defeated the Reelawn Parks Saturday afternoon by a score of 15 to 12 in an 11 inning game at the Still diamonds. The battery for the winners was Page and Anderson and for the losers Hartman and Peters.

GOWDY ON EXCELSIOR WINS GAS BIKE RACE	W.	L.	Pct.
Finishes 300 Mile Run in 3:29:51 2-5.			
Averaging 85 Miles an Hour.			
CHICAGO, Sept. 13.—Traveling at a pace that shattered all previous long distance records for a motorcycle, Carl Gowdy, mounted on an Excelsior machine, finished four laps ahead of the field in Chicago's first 300-mile motorcycle race at the Maywood speedway Sunday. Gowdy's time for the 300 miles was 3:29:51 2-5, an average of over 85 miles an hour.			

Teddy Carroll, an Indian, was the second man to finish, crossing the line in 3:35:17. Less than a minute behind him came Ray Weisner on a Harley-Davidson, while Bill Brier, also on a Harley-Davidson, finished fourth, exactly one minute behind his teammate. R. Brugerman, riding an Excelsior, and Earl Armstrong, on an Indian, were the others to finish in the money.

BOWLING SEASON USHERED IN BY ELKS' LEAGUE

Other Bowling Organizations to Open Schedules During Coming Week—Many Changes to be Made.

In spite of the unfavorable weather the local bowling season was officially ushered in last week when the four leagues, the Antlers, Elks, Federal and Temple leagues started their regular season schedule at the Elks temple. But this will be considerably augmented this week when every bowling organization will make its debut.

There will be many changes over the personnel of the various organizations of last year and several leagues added. At least one league, the Oliver, has been eliminated because of insufficient room to accommodate them at either of the local establishments. This year an eight club league last year but the increased interest at the institution forced an additional four teams, and, as they all wished to roll their games on one night they will use the Elks alley at Mishawaka for the tournament.

Because of the prevailing warm weather there are two leagues which are not yet organized for the season, the Post Office and Clothiers. The Walther league starts its season tonight. But it is expected they will get under way within a fortnight. One new league has already been launched, the Knights of Columbus, a four-team organization, which will roll its games at the Orpheum alleys.

Changes in Leagues.
Several changes were introduced in the City league, which also operates at the Orpheum alleys. This was conducted with six teams last year but has been increased by two others. The league this year will consist of the Knights of Columbus, Conservative Life Insurance Co., Ponies, Hultie & Mike, K. & S. Jimmy & Goats, Gilt Edge, Oppenheimers and Bardeens United. They will play a series of 42 games, which terminates the schedule just before the holidays. The league will roll a schedule of 15 weeks, beginning tonight and terminating December 23.

Two of the oldest organizations in the city, the Studebaker and C. A. club leagues, remain intact as in former years, each containing a 10-club body and begin their schedule seasons this evening. The Trio league, a three men team organization also operating at the Studebaker club, remains an eight club institution, who also begin operations this evening. Each of the above named leagues could be increased easily but their apartments are limited and will not permit of additional play.

City Association Progress.
As fast as conditions will permit the City Bowling association will be perfected. During the past week considerable progress was made in that the four leagues, the Antlers, Elks, Federal and Temple leagues, operating at the Elks temple, joined the City association with unbounded enthusiasm when each organization convened for its initial meeting. The following representatives were chosen to serve on the board of representatives of the City association: Antlers league, James P. Butler; Elks league, William H. Heinrich; Temple league, G. A. Farabaugh; Federal league, Walter C. Miller.

Nearly every bowling establishment in the city has its alleys sanctioned by the American Bowling Congress. Those of the Elks temple have been certified for several years. The Orpheum and Bardeen alleys were officially measured last week and the officers of the City association performed that function at the C. A. club last Saturday. Taken care of today, which would have been done sooner only the city alleys and changes on their drives were not completed until yesterday.

NILES ONCE MORE BOWS TO LOCALS

Great Defensive Work of Independents Beats Michigan Men 1-0—Honors Now Even.

South Bend and Niles staged a bloody battle at the Wolverine diamond Sunday afternoon and the local independents through their spectacular defensive work and timely hitting defeated the team across the line by a score of 1 to 0. Although Williams held the South Bend boys to four hits they assembled two of these with a sacrifice in the sixth and shoved over the winning marker.

Broder opened this round with a double and was sacrificed by Williams. The next man up skied out but Bacon ripped a swift single to right and the game was sewed up, for Wilton was never in danger, the seven hits secured from his delivery being well scattered. The South Bend infield did some great defensive work. In the seventh Niles men were on first and second with none down. A line drive was driven to Williams at third who snapped the man off second. A close decision at first was all that prevented a triple play.
